Welcome to the 2020 Summer Camp Guide, our first camp guide to include a camp-by-week overview!

As one of our nation's "Top Ten Healthiest Communities" according to U.S. News and World Report, we are committed to creating an environment for thriving and healthy residents. This success starts at a young age, and is sustained by the robust and diverse programming offered by our Department of Recreation and Parks like our summer camps.

Summer is the perfect opportunity for our children to learn a new skill, make new friends, and enjoy all that our county has to offer. From art to baseball to cooking to dance, I welcome you to read through this guide and explore the wide variety of recreation opportunities. This year, you can find a comprehensive schedule of our camps right in the front of this guide. We hope this makes it easier to plan your summer, as our easy-to-read chart includes important details such as start and end times, locations, and prices in one convenient place. You will still find more detailed descriptions of each camp in the back of the guide.

Be sure to check out our outdoor adventures camps with opportunities to go tubing, learn archery, enjoy fishing at various locations, overnight camping, and a traditional outdoor camp experience. Or look into our indoor Science, Technology, Engineering, Art and Math (S.T.E.A.M.) camps that encourage experimentation using LEGO machines, learning computer programming skills, and more. Our professionally-led sports camps include current and former NCAA athletes, coaches and instructors that have a true love for their sport.

Our half-day camps allow you to mix and match your morning and afternoon while our all-day camps ensure that your children take part in new activities each day. Parent of a teen or tween? We have art, music, and sports-specific camps made especially for this age group. In addition, we have a counselor-in-training program that trains your child to be a camp counselor who hopefully comes back next summer as a paid counselor!

We hope you'll join us for a fun, safe and sensational summer in Howard County!

The Howard County Department of Recreation & Parks is dedicated to providing outstanding summer camps. To achieve this goal, we place value on children by offering exciting camp experiences with an emphasis on safety, convenience and affordability. The Department is committed to providing a superior level of service while maintaining the highest level of safety standards possible. All Howard County Department of Recreation & Parks camps abide by our camp standards. The standards include the following:

- No peanut or nut products are allowed in camp.
- All staff hired have been through a criminal background check.
- At least one camp staff member must be certified in CPR and First Aid.
- Staff are knowledgeable and well-trained.
- All passenger van drivers have taken a van driving training course.
- All camp directors are over 20 years old.
- Weekly fire and emergency drills are conducted.
- Camps maintain the established staffing ratios appropriate for each camp.
- Safety procedures are followed through a daily check-in and check-out of participants.
- Exceptional customer service is provided.

Parent, guardian or authorized person must sign campers in & out each day and must show a government or school-issued photo identification. Written authorization must be provided if a camper leaves early. Signatures are required (*initials not accepted*) by a parent, guardian or authorized family friend picking up a child early.

NEW! Club SciKidz:

Intro to Robotics and Programming

This newly-designed camp is for our youngest campers to introduce robotics and programming using KIBO. KIBO allows kids to make their ideas physical and tangible—exactly what their young minds and bodies need. And KIBO does all this without requiring screen time from PCs, tablets or smartphones. Build, program, decorate, and bring your own robot to life.

4-6 yrs RP2961 Aug 10 \$395: 9am-3:30pm \$475: 8am-5:30pm

Club SciKidz: Jurassic

Dinosaurs may be extinct, but they are alive in Camp Jurassic. Learn about a variety of dinosaurs and their habitats. Rocks, minerals and fossils are studied along with a variety of related projects. Explore Geology 101 with special emphasis on observation, inference and data collection.

4-6 yrs RP2957 Jul 13 \$395: 9am-3:30pm \$475: 8am-5:30pm

Club SciKidz: Lil Engineer

Sir Isaac Newton never had this much fun! Be immersed in our toy maker's workshop to construct and take home toyolen projects. Projects teach an important physical property. Learn why kaleidoscopes produce beautiful colors; build and play with a marshmallow shooter; and create a rubber band ball.

4-6 yrs RP2955 Jul 27-31 \$25 lab fee

\$395: 9am-3:30pm \$475: 8am-5:30pm

NEW! Club SciKidz: Lil Scientist

This unique camp offers an incredible collection of projects and experiments that amuse and amaze little scientists! Enjoy several hands-on activities to explore the basic scientific ideas that play a role in everyday life. Some projects are rocketry, glowing firefly, edible oceans, & marshmallow catapults.

4-6 yrs RP2949 Aug 3 \$395: 9am-3:30pm \$495: 8am-5:30pm

Club SciKidz: Lil Space Explorer

Become astronauts in training. Learn about and participate in hands-on activities about the sun, moon, planets, and the life of an astronaut. Projects include making Moon Sand, fizzing planets, creating a galaxy, participating in an astronaut obstacle course, and more.

C3 Cyber Club (*themes in date order*)

This week of mechanics and virtual reality has full- and half-day options. Extend your day with ⚡ Camp Plus (p.58). Info: Kiki Fagan, 410-313-4609 or kfagan@howardcountymd.gov.

NEW! Roblox Imaginative Game Design

Roblox, Imaginative Game Design (morning/6-14 yrs): Learn how to use coding fundamentals to strategically engineer cosmos while providing students with hands-on experiences in innovation and the underlying mechanics of 3D gaming. **Game Design (afternoon/6-9 yrs):** Use 3D geometry to create a video game level. Create puzzles and challenges using jump pads, elevators, lava, and more! **Game Design using Unreal (afternoon/10-14 yrs):** Learn how to create exterior environments and apply different procedures of modeling and texturing. Create outdoor terrain using advanced tools such as terrain sculpting, particle creation, and dynamic lighting. Learn how to import pre-set 3D models, control dynamic lighting, and add interactive vehicles and weapons.

6-9 & 10-14 yrs RP2940 Jun 22 \$259 half-day \$379 full-day

NEW! Minecraft Camp

Minecraft Modding (morning): Learn how to create your own custom game play items and elements using MCreator and Minecraft. Create artwork for various items and implement them into the game with custom behaviors. Explore texturing, logic flow, asset organization, and custom event triggers. Design your own custom blocks, food, biomes and more! Younger students focus more on texture work. **Minecraft Animation Camp (afternoon):** Find out how characters move and look alive in movies and video games! Create basic 2D and 3D animation techniques using Minecraft characters and stages. Expand your observation, imagination and storytelling by studying motion in reality and then applying it to animation. Learn how animators work by completing a variety of short animation exercises and projects. Note: returning students use new tools in the updated 2.0 software.

6-9 & 10-14 yrs RP2941 Jul 27 \$259

NEW! Coding With Minecraft & Design Games with Scratch

Coding & Design Games with Scratch (morning): Explore basic programming concepts using a simple drag-and-drop interface within Scratch software. Use premade art assets or create your own. Learn how to program, walk, talk, and interact with objects while creating a simple, 2D video game in Scratch 2. **Coding with Minecraft & Design (afternoon):** Create your own program called "Turtles" inside the world of Minecraft. Program your robot to complete tasks such as build, mine and craft items. Understand coding language such as Lua, if-then-else statements and for-while loops. Experience playing Minecraft preferred, but not required.

6-9 & 10-14 yrs RP2940 Aug 10 \$259 half-day \$379 full-day

Club SciKidz: Camp Grossology

Discover loads of horribly fantastic experiments! Projects focus on blood, bones and body bits! Tons of chemistry and biology for the aspiring doctor or scientist! Projects include bulging bag of brains, simulated snort, baby diaper dissections, eyeball acrobatics and that's only the beginning.

6-8 yrs RP2960 Aug 24 \$395: 9am-3:30pm \$475: 8am-5:30pm

Club SciKidz: Camp Young Physician

Make no bones about it- this camp is for the aspiring young physician. Learn that your bodies contain miles of blood vessels, hundreds of muscles, thousands of hairs, a furnace, a filter, and a computer! Receive your own stethoscope and percussion hammer. Projects include building a lung model, testing for germs, building a spinal column, and skin prints!

6-8 yrs RP2948 Jul 6 \$315: 9am-3:30pm \$385: 8am-5:30pm

Club SciKidz: Cosmos

Join us as we race across the Milky Way with 20 astronomy projects! Want to be a rocket scientist? Experiment with screaming balloon rockets; use solar glasses; then construct and use a star finder! Build a telescope and launch an airburst rocket! Create a glow in the dark model of Saturn, design a UV bracelet, build a sun dial, model our solar system, and so much more!

6-8 yrs RP2952 Jul 20 \$395: 9am-3:30pm \$475: 8am-5:30pm

Club SciKidz: Dash and Dot Programming

Use Dash and Dot, cleverbots created by Wonder Workshop. They are real robots that can sing, dance, navigate courses, and respond to voice commands. Using a tablet and apps, practice programming the robots to participate in a variety of different challenges and to create new behaviors for Dash. \$25 materials fee.

6-8 yrs RP2954 Aug 17 \$395: 9am-3:30pm \$475: 8am-5:30pm

Club SciKidz: Eco Explorers

Explore the organisms and habitats of different eco systems, discover earth's different systems through hands-on activities, and learn ways to take care of the planet we live on. Get outside to explore nature first hand.

6-8 yrs RP2950 Jul 13 \$395: 9am-3:30pm \$475: 8am-5:30pm

Club SciKidz: Jr. Meteorologist

Measure and record rainfall, create a water cycle wheel, build a weather station, learn about the Greenhouse Effect, create a terrarium, design tornadoes, make snow, and more! End the week demonstrating the three states of matter by making and eating some delicious ice cream. Take home projects include sun prints, UV beads, a wind vane, anemometer, and a very cool rain stick!

6-8 yrs RP2958 Aug 10 \$395: 9am-3:30pm \$475: 8am-5:30pm

Club SciKidz: Little Marine Biologist

Calling all marine biologists! Explore the crystal blue oceans; and study the structure of our oceans, marine life, and environmental issues. Along with oceanography experiments and activities, enjoy pirate escapades in search of gold, gems, and buried treasure. Includes 20 make-and-take projects!

6-8 yrs RP2966 Jun 22, Jul 27 \$395: 9am-3:30pm \$475: 8am-5:30pm

NEW! Club SciKidz: Lil Robot Engineer

Enjoy an intro into the world of robotics. Learn about the six simple machines and how they are incorporated into more complex machines. Learn about circuits and power sources as you build our Mars-like RC Rover. The radio-controlled RC Rover is capable of performing 23 experiments and activities.

Construct our Art Bot. Take home a robot after the camp week has finished.

6-8 yrs RP2945 Aug 3 \$45 lab fee \$395: 9am-3:30pm \$475: 8am-5:30pm

Club SciKidz: Young Scientist

All activities meet or exceed National Science Standards through great lessons and hands-on experiments. Explore fun and exciting science topics in chemistry, biology, physics, and lab-process skills.

6-8 yrs RP2963 Jun 29 \$395: 9am-3:30pm \$475: 8am-5:30pm

Mad Science: EUREKA! The Inventor's Camp

Are you an inventor? Enjoy instructors who are passionate about learning! Each day, a series of challenges must be overcome using basic materials, simple machines, and tips from world famous inventors. Construct catapults and forts! Assemble a working light saber to take home.

⊕ Extend your day with Camp Plus (p. 58).

6-11 yrs RP2937 Aug 10 \$329

Mad Science: Flight Academy

Calling all pilots! As a Mad Science flight cadet in training, discover how airplanes fly. Test your airplane's performance in a wind tunnel. Build your own kite, stunt plane and model rocket. Ride the air on a hovercraft and discover how hot air balloons, blimps and parachutes work.

6-11 yrs RP2938 Jul 20 \$329

Mad Science: Science in Motion

Discover how things move with science and awesome Mad Science instructors. Take apart pellets to see what an owl cannot digest! View the world through a camera obscura. Build bridges, domes, cubes, and pyramids. Assemble and control pulleys, levers, catapults, and simple machines. Make your own sidewalk chalk, crystal gardens, and chromatography-dyed t-shirt (provided)! ⊕ Extend your day with Camp Plus (p.58).

6-11 yrs RP2938 Aug 17 \$329

NEW! Mad Science: Dinosaurs and Ancient Worlds: Underground Explorers.

Dig up dinosaurs and the ancient past! Solve real-life mysteries! Learn about archaeology and the techniques scientists use to excavate fossils and long-lost cities! Study bone fragments, pottery shards, amber deposits, and fossils to understand what they can tell us about history. Receive an unforgettable visit from Tiny T, an amazingly life-like, 10-year old Tyrannosaurus Rex!

⊕ Extend your day with Camp Plus (p. 58).

6-11 yrs RP2938 Aug 3 \$329

Mad Science: Secret Agent Lab

Suspects! Schematics! and Sleuths! Connect the dots using science to help solve a crime in this hands-on investigation. Uncover the science involved in evidence gathering and analysis and fingerprinting detection. Enhance your recall and observation skills and learn how to use spy equipment.

6-11 yrs RP2938 Jul 13 \$329

NEW! Mad Science: NASA: Academy of Future Space Explorers

Blast off with the only camp designed and created specifically by NASA engineers! Future space explorers, set your trajectory from our Earth's atmosphere to the outer reaches of our solar system! This hands-on program brings you closer to the stars, planets, comets, and more. Learn about living in space, getting away from gravity, looking for space phenomena, and participate in a rocket launch! ⊕ Extend your day with Camp Plus (p. 58).

Therapeutic Recreation & Inclusion Services

The Department of Recreation and Parks is a recognized leader in opportunities for individuals with disabilities and is pleased to comply with Americans with Disabilities Act (ADA) regulations.

Individuals with disabilities are encouraged to register for general recreation programs of their choice. The Department of Recreation and Parks has developed an inclusion process to better accommodate citizens with disabilities. This process has been recently updated.

To ensure that we meet your program needs, please contact Therapeutic Recreation Supervisor Tori Taylor (410-313-4708 or vtaylor@howardcountymd.gov) at least two weeks before the program begins to request accommodation services.

The Process to Request Accommodations:

1. Choose your fun! Look through the seasonal activity guide and find a class or program you or your family member would like. Howard County Recreation and Parks has a multitude of programs to choose from. You are always welcome to call us if you would like some guidance when choosing a program.
2. Once you know what program you'd like to participate in, the next step is to register. When registering, let it be known that you will need an accommodation. You can register online, over the phone, or in person at any of our community centers.

3. Once registered for a program, the next step is to request an accommodation through our Accommodations Portal found www.howardcountymd.gov/Therapeutic-Rec. This portal will ask you for information about the program you have registered for as well as what type of accommodation you are requesting. It will send our Therapeutic Recreation team a notification when your request has been submitted

4. After your request has been made through our portal, an Accommodation Assessment link will be sent to you via email or the postal service. This assessment needs to be completed two weeks prior to the start of a program. This assessment will allow our team to better serve you and your loved one and gives our staff more information on how to make a program a success. Note: You only need to complete the Accommodation Assessment once a year; however you must send all accommodation requests through the Accommodation Portal for each and every program you register for.

5. Once our team has received the completed Accommodation Assessment, we will reach out to you within three business days with a phone call or an email confirming your request and to discuss strategies for inclusion. Please remember that increasing the staff to participant ratio is never guaranteed and is judged on a case-by-case basis. We will make every effort to provide reasonable accommodations on an individual basis. Please note that all required paperwork must be completed for requests to be reviewed.

If you would like to check the status of your request or if you have any questions regarding inclusion services, feel free to contact our therapeutic recreation team. We would be happy to help!

Therapeutic Camp Refund Policy

Any refund request received by April 12 will be processed with a 10% administrative fee withheld. From April 15 until 48 weeks prior to the camp start date, a 50% administrative fee will be withheld. There will be no refund given for requests received less than four weeks prior to the camp start date except for medical reasons accompanied by a doctor's note, the amount to be refunded will be determined by the program's manager.

- Camp dates are subject to change depending upon Howard County extended school year program. Online registration not available. (No camp 7/3.) Assessment must be completed prior to start of camp. Info: Susan L. Potts, MS, CTRS spotts@howardcountymd.gov.

General Information

Program information provided in this Guide is tentative. Consult www.howardcountymd.gov/rap for the most up-to-date information.

Registration

Program fees are established by determining the cost of supplies; fees for instructors, rentals, registrations and program administration; and the price of marketing in order to deliver high quality programs at an affordable price. See our "How to Register" section on page 2.

***Waiver:** In consideration of my (and/or my child's) participation in this activity, I hereby release and discharge the Organization, and its representatives, successors, and assigns, from any and all liability arising from accident, injury, and illness that I (he/she) may suffer as a result of my (our) participation in this activity. I (we) also will follow the rules and regulations set by the Organization and above named parties. Parent or guardian must sign for anyone age 18 and under. I do hereby grant and give these groups the right to use my or my child(s) photograph or image in conjunction with other persons or objects and presentations, advertising, publicity, and promotion relating thereto.

We reserve the right to cancel or postpone any program or activity due to inclement weather or low enrollment. A service fee will be imposed for all returned checks and could result in refusal of future participation. A service fee will be applied to all refunds and withdrawals with the exception of those due to program cancellation or medical/illness. There are no refunds for missed sessions. At a minimum, a 20% administrative fee applies to refund requests; additional fees may be deducted. At least two weeks advance notice is required to avoid additional charges. Summer Camps have a different refund policy and can be found in the current year brochure. See brochure or website for details about all refunds and policies.

Participation

Only individuals who are registered may participate. Where age or grade restrictions apply, "age" usually refers to the age of the participant at the start of the program and "grade" to current grade. If any other standards apply, they will be noted in the Guide. We reserve the right to question grade or age and may request a birth certificate or other proof of eligibility.

For many programs, registrants or parents/legal guardians of minor registrants will be required to provide a signed Participant Information form at the first meeting. The purpose of this form is to ensure that participants willingly share responsibility for their own safety. All activities contain certain inherent risks that each participant assumes. Due to the strenuous nature of some activities, each participant is urged to consult his or her physician concerning his or her fitness to participate. Please note that many programs will require confirmation that immunizations are current.

A parent or legal guardian must accompany a child each day for both check-in and pick-up. It is your responsibility to sign your child in at the beginning of the program and sign your child out immediately following the program. Staff is not responsible for your child before or after scheduled activities. A fee may be assessed if your child is not picked up at the close of the program.

Children must remain with the program for the full period scheduled. To leave before a day's program is complete, a child must have written parental consent or the parent/legal guardian must pick the child up after notifying the program director. No refunds will be issued for time missed for this or from dismissals resulting from disciplinary action.

In determining whether child is ready to participate in these activities, **please be aware that our staff does not change diapers.**

Filled Programs

Space is limited in most activities — early registration is advised. If a program is filled when we receive your registration, we will contact you; you may then cancel your application at no charge, select an alternate program or place your name on a waiting list. There is no fee to be placed on a waiting list.

Canceled Programs

We don't like to cancel programs, but each one must meet its minimum enrollment. Don't be disappointed — register early and bring a friend! An activity may also be canceled due to circumstances beyond our control, such as the unavailability of an instructor or location. If a program is canceled, registrants will be contacted immediately and a full refund credited.

Financial Assistance

The Howard County Department of Recreation & Parks can provide limited financial assistance to Howard County residents who qualify. In addition to a completed application, you must provide one of the following:

- Verification of qualifying household income with your 2019 Federal Tax Transcript and
- Any proof of assistance from the Department of Social Services.

Funds are limited and a deposit of 25% of the program fee is required at least one month prior to start date with the application/registration form. Call 410-313-4659 for additional information and guidelines.

Make a Donation

You can make a tax-deductible contribution to our Scholarship Fund by www.howardcountymd.gov or call 410-313-4683. You may also donate online through our online registration site (click on "donation" button).

Refunds

We recognize that you may wish to withdraw from a camp for a variety of reasons, but we encourage early decisions so as not to inconvenience other participants or affect our ability to efficiently deliver activities.

Customers requesting a refund prior to three weeks before the camp starts will be charged a 20% administrative fee, however if you request the credit to be placed on your Howard County Recreation and Parks account for future use, no administrative fee will be charged.

All refunds requested within three weeks of the camp starting date will be charged at minimum a 20% administrative fee. Additional fees may be assessed to recover costs (e.g. for shirts, supplies, tickets, equipment etc.) associated with the camp. There are no refunds given for missed camp days.

Inclement Weather & Program Status Information

Check with your instructor about exceptions to the following circumstances and make-up dates for canceled sessions.

- If it rains, only some outdoor classes will be canceled.
- When it appears that lightning is a potential threat to participants, scheduled outdoor activities or activities in progress may be canceled.
- If it snows on a weekday and the snow emergency plan is in effect in Howard County, scheduled programs will be canceled. Drop-in programs at Recreation & Parks facilities may run, call the facility inclement weather number, 410-313-4452.

- If it snows on a weekend and the snow emergency plan is in effect at 7am, programs held in public schools for that day will be canceled. If a snow emergency is declared after 7am, programs in schools in progress may be completed but those later in the day will be canceled.
- If schools are closed or dismissed early due to inclement weather, programs in schools will not be held.

Accommodations for People with Disabilities

The Department of Recreation & Parks is a recognized leader in opportunities for individuals with disabilities and is pleased to comply with Americans with Disabilities Act (ADA) regulations.

Individuals with disabilities are encouraged to register for general recreation programs. With your registration, please include information regarding your disability and any accommodations needed.

We will make every effort to provide reasonable accommodations on an individual basis. Interpretive services are available for people who are deaf, hard of hearing or have speech disabilities. These and other accommodations can be provided to Howard County residents at no additional cost. To ensure the best experience for all participants, we need your accommodation request along with your registration a minimum of two weeks in advance of the first program date.

For transportation, contact HT Ride Paratransit Certification at 1-800-270-9553. For more information, contact Therapeutic Recreation Manager Susan Potts at 410-313-4628 or spotts@howardcountymd.gov.

Other Policies

Additionally, the Department reserves the right to

- Cancel a program for any reasonable cause;
- Deny registration or entry into a program when it deems necessary to assure public safety;
- Suspend a child from a program with no refund, after notifying a parent of disciplinary problems;
- Photograph programs, participants and volunteers for publicity purposes; and/or
- Adjust any program details printed in this brochure including fees, locations, instructors, times, days and starting dates.

Public Meetings

Park Board members are Sylvia Ramsey (Chair), Edward Coleman (Vice Chair), A. Raul Delorme (Recording Secretary), Mavis Ellis (Board of Education Designee), Joanne Kiebler, Thomas M. Franklin, J., David Grabowski, Anna Boyd.

Full-time, Part-time, Contingent and Contractor Employment

For an up-to-date listing of jobs within the Department, as well as a listing of jobs within Howard County Government, visit www.howardcountymd.gov and click on the "I want to" tab.

The Department of Recreation & Parks also needs dynamic leaders to develop and instruct programs such as art, crafts, cooking, dance, drama, language, music, science, sports or just plain fun! Do you have an interesting idea for a course or other program that could be offered to Howard County residents through the Recreation & Parks Department? We'd like to hear about it. For an informational letter, application and proposal form, visit www.howardcountymd.gov/rap and click on "Forms and Publications" or call 410-313-4639.

Volunteering

Volunteer opportunities are available in several areas including preschool and youth programs, sports, senior adult programs, natural resources, outdoor recreation and special events. If you'd like to share your time and talent, visit www.hocovolunteer.org to view opportunities and register.

Sponsorships

There are many opportunities to become involved in the activities of Howard County Recreation & Parks through sponsorships and advertising. Info: www.howardcountymd.gov/HCRPSponsors or Anna Hunter, 410-313-4686 or ahunter@howardcountymd.gov.

Junior Counselor Corps Training Program

- Info: Melissa Byrne, 410-313-4704.
- All new and returning Junior Counselors must attend 2020 training camp, before starting weekly field experiences.
- www.howardcountymd.gov/juniorcounselors

New Counselor Training

The Junior Counselor Training emphasizes a high-energy, interactive, hands-on learning experience. The program requires that new counselors complete a three-day training camp and a minimum two-weeks of field experience at a Howard County Recreation & Parks summer camp of their choosing. During training, mentors review the curriculum and use practical learning that prepare counselors to apply what is learned during field experiences. We offer an option to register and extend the day one-hour before & after. Available upon request.
